Union County College Academics Agreement

By becoming a student athlete at Union County College, I understand much is expected from me both academically and athletically. This includes but is not limited to the following:

- 1) All of my class scheduling will be coordinated through the coordinator of student Advisement/Athletics, Mr. Ector Quiles.
- 2) I will maintain at least 12 credits at all times during my sports season to retain my eligibility. I understand that I will only be able to drop below 12 credits by filling out the proper paperwork with the Athletic Counselor and with the knowledge of my coach. I understand I will automatically become ineligible once I drop below 12 credits and I will not be allowed to participate.
- 3) I understand that certain individuals in the UCC Athletic department and Counseling will need access to my academics records. They may need to share this information with other 2/4 year colleges and the National Junior College Athletic Association (NJCAA) I give full permission for the individuals to view and share this information.
- 4) I understand that I am responsible for my uniform and all other equipment loaned to me by UCC. A debit will be placed on my account until I have returned my uniform and equipment.

By signing below, I agree to all of the aforementioned statements.
