UCC Hall of Fame

Union County College began a Hall of Fame for our athletes in 1999. Each year the school immortalizes student athletes with outstanding athletic accomplishments and academic achievements.

A dinner is held for family and friend of the inductee. This dinner is highlighted by the presentation of a UCC hall of fame watch by the College Present to the honoree.

Additionally, we unveil the players name in our Hall of Fame trophy case across from the gym.

Begin working today toward your name being immortalized in UCC's Hall of fame.

The criteria includes:

1. 2 years of sports participation
2. Minimum of 48 credits/hours achieved with at least s 2.0 GPA
3. Must have made a significant contribution to the UCC Athletic Program
4. Five years must have elapsed since the athletes last participated in UCC athletics.

Consideration will be given for the significant and long time contributors to the Athletics Program.

Consideration after initial induction will be held to (5) nominees per year and a maximum of three will be inducted.

GOOD LUCK
