

Student Right To Know

The following information is being provided as required under the Student-Right-to-Know and Campus Security Act (Public Law 101-542).

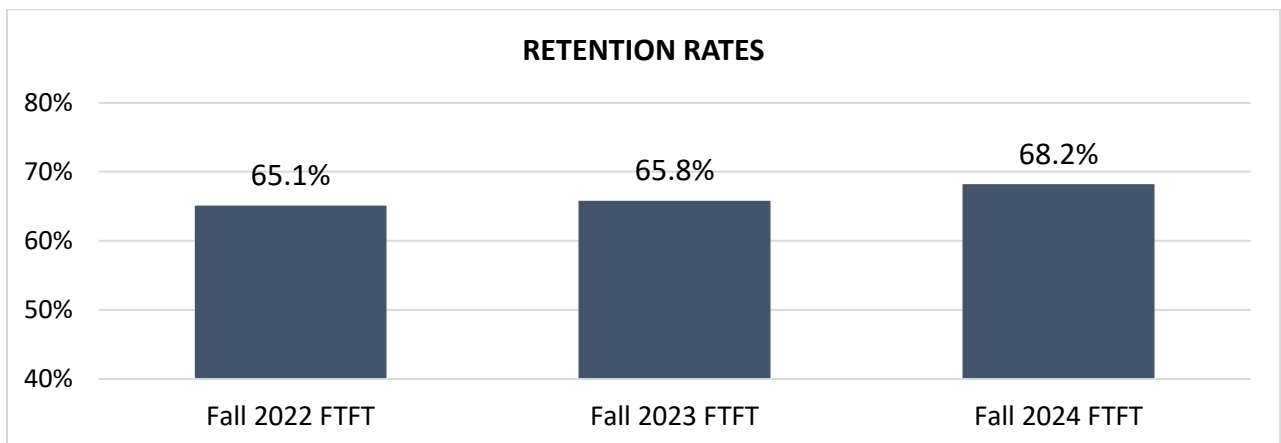

Graduation and Transfer-out Rates

UCNJ enrolled 1,364 first-time, full-time certificate- or degree-seeking students in the fall semester of 2022. From this cohort of first-time, full-time students, a total of 451 students graduated within 150% of normal time to completion. This calculation is used to determine the College’s graduation rate (33.1%). A total of 87 students transferred to another college or university within 150% of normal time to completion. This calculation is used to determine the College’s transfer-out rate (6.4%). A student who continues studies beyond 150% of normal time to completion is known as a “persistor.”

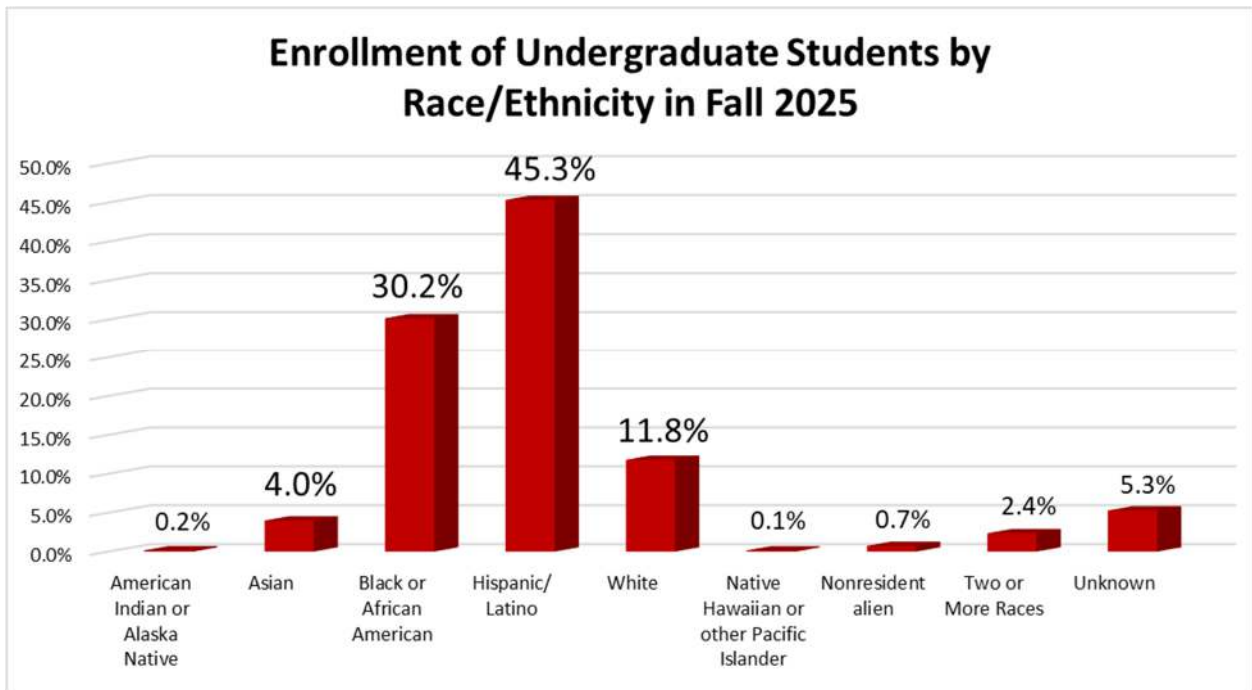

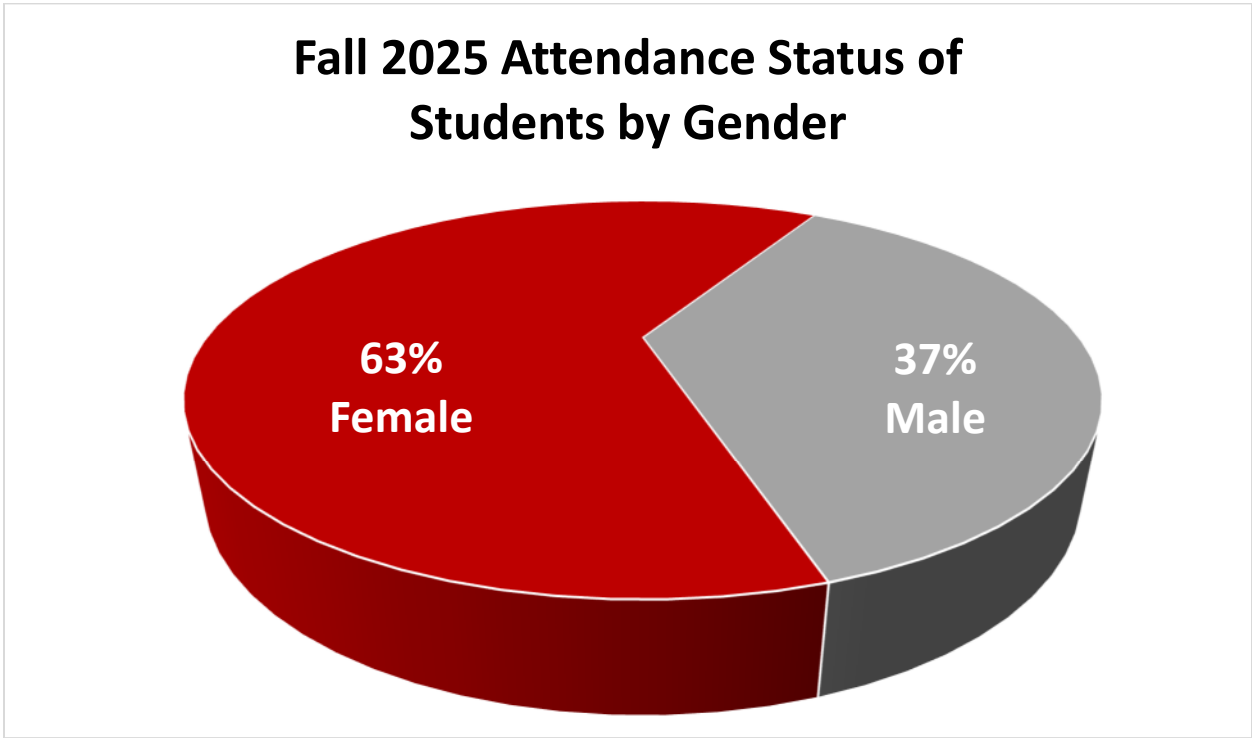

Retention

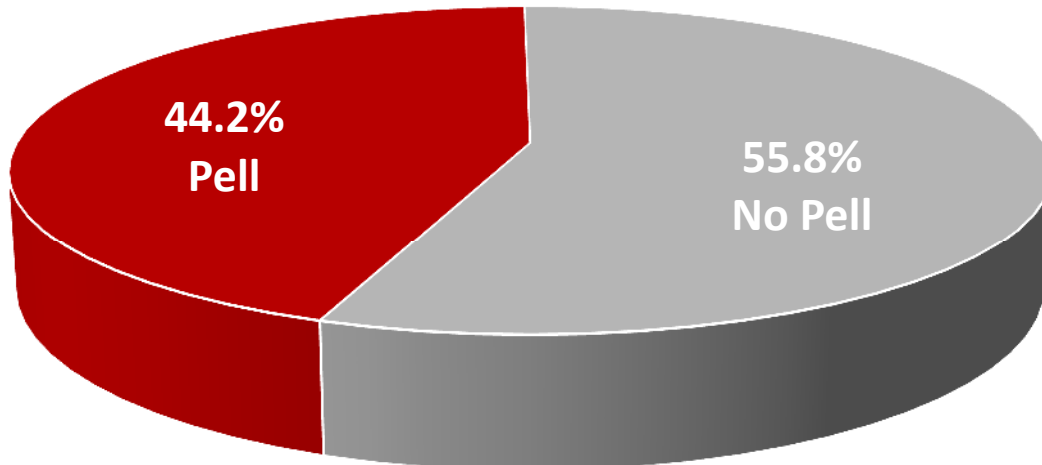

In Fall 2024, the College enrolled 1,329 first-time, full-time, degree- and certificate-seeking students. From this cohort, a total of 906 students were retained in the following fall semester. This calculation is used to determine the College’s retention rate (68.2%).
