Transforming Our Community... One Student at a Time

Welcome and Congratulations Graduates!

Congratulations Class of 2026! Today marks a significant milestone in your academic careers, you are graduating with a degree from UCNJ. This is a joyous day to celebrate with your peers, family, friends, and all who have supported you throughout your time at the College.

On behalf of our faculty, staff, and administration, we extend our best wishes as you embark on your next chapter, whether that means transferring to another institution or pursuing the next step in your career.

UCNJ was founded in 1933, and our Mission is to “Transform our Community, One Student at a Time.” As you graduate today, you are the embodiment of that mission. With more than 700 students celebrating this milestone, you carry forward the knowledge, skills, and confidence to make a meaningful difference in your communities and careers.

Your path to graduation may have been supported, in part, by a College Foundation scholarship. This year, the generous donors, including individuals and corporations dedicated to student success, provided more than \$1.3 million in direct scholarships. We extend our sincere gratitude to these supporters for investing in our students’ futures.

We are also deeply grateful for the steadfast leadership of the College’s Board of Trustees and Board of Governors, whose members volunteer their time and expertise to advance our mission. Another key partner is the Union County Board of County Commissioners, whose commitment to higher education and continued investment in the College strengthen opportunities for residents across our county.

This April, the College was recognized as semifinalist for the 2027 Aspen Prize for Community College Excellence thanks to your commitment to your education and success. Although your journey at UCNJ has ended, we hope you will remain connected to the College as proud alumni and continue to be part of the UCNJ community. Continue to share your successes and inspire the students who will one day stand where you are now.

You have achieved a significant milestone in your academic journey, one that reflects not only your intellectual accomplishments, but also your personal and professional growth.

My sincerest congratulations to you, the UCNJ Class of 2026.

Dr. Margaret M. McMenamin
President, UCNJ Union College of Union County, NJ

MAY 18, 2026

UCNJ History

The College's faculty in 1936 at the College's first Commencement Ceremony.

UCNJ Union College of Union County, NJ has a remarkable history as the first of New Jersey's community colleges. The College was founded in 1933 as a one-room night school and is now a comprehensive community college serving almost 12,000 credit and noncredit students in Union County.

U.S. President Franklin D. Roosevelt founded Union County Junior College as an "emergency junior college" through the federal Works Project Administration, with the original mission of providing jobs for unemployed teachers and professors.

UCNJ is an open-access community college that currently offers over 70 associate degree and certificate programs, as well as noncredit opportunities. The College has campuses in Cranford, Elizabeth, Plainfield, and Scotch Plains. In addition to in-person classes, UCNJ offers online courses and more than 20 fully online academic degree programs.

The Cranford Campus was expanded in 2016 with the development of a two-story Student Development Building, which houses student services on the first floor in the Helen E. Chaney Student Services Center. The Chaney Student Services Center was named for the generous donor and alumna, Helen Chaney ('48). The second floor has classrooms and faculty offices.

On the Elizabeth Campus, renovations to the Lessner Building were completed in 2018. This included the development of a new Student Services Center on the first floor. There are offices and classrooms on the lower level for the College's Center for Economic and Workforce Development.

In January 2020, renovations to the Health Science Building on the Plainfield Campus were completed, adding state-of-the-art facilities and labs for the paramedic emergency health science, physical therapist assistant, and respiratory care programs.

UCNJ's Scotch Plains Campus reopened in 2022 with a

University Center and became home to the College's Virtual Campus and many community events. This Campus is located on the same property as the Union County Vocational Technical Schools and John H. Stamler Police Academy.

In 2024, the College underwent a rebranding with a new name and logo. UCNJ Union College of Union County, NJ unveiled a logo that represents the flame in *Fiat Lux*, and a U shape. The College's new name helps acknowledge academic excellence and national recognition.

The Aspen Institute College Excellence Program selected UCNJ as a Top 10 community college for the prestigious \$1 million-dollar 2025 Aspen Prize. While previously being named as a Top 150 community college and semifinalist, this is the first time the College has been recognized as a finalist.

In June 2025, UCNJ's accreditation was reaffirmed by the Middle States Commission on Higher Education, a voluntary, non-governmental membership association that defines, maintains, and promotes educational excellence.

In October 2025, Union County Improvement Authority, Union County, and UCNJ recently broke ground on the College's new Physical Education Center (PECK) building at the Cranford campus, a modern athletic facility that will support UCNJ's 14 NJCAA teams.

In April 2026, the Aspen Institute College Excellence program recognized UCNJ as a semifinalist for the 2027 Aspen Prize for the third consecutive time. The College was chosen for this honor among more than 1,000 community colleges nationwide based upon having high and improving levels of learning, graduation, transfer, and workforce outcomes.

With each new program designed to advance students' economic mobility, UCNJ is fulfilling its mission of transforming our community, one student at a time. 

The pomp and ceremony of a UCNJ Commencement traditionally includes a procession led by a senior faculty member carrying a mace. The mace served as a weapon in medieval times, however, the mace as a symbol of civil authority dates to the mid 13th century. Since the 1500s, colleges and universities have used the mace as part of academic regalia in formal ceremonies.

The mace symbolizes the authority of the Board of Trustees, the Board of Governors, and the Office of the President of UCNJ, and also represents the faculty's consent in conferring degrees and certificates.

The UCNJ mace is 38 inches long and sculpted from a solid piece of walnut. The triangular carvings at the base of its shaft reflect the tripartite interaction among research, education, and innovation, which are key drivers of a knowledge-based society. The upper portion of the mace features the round seal of UCNJ with the "Fiat Lux" motto, which is Latin for "Let There Be Light." The head of the mace also displays the College Owl, the mascot that symbolizes the College's 1933 origin when it was a night school for unemployed teachers. 

The College Mace & Seal

The College Seal, shown at the right, is the original design used in 1933 when the College was founded.

The seal is used primarily for official events such as commencement. The College's motto, "Fiat Lux," which is translated "let there be light," is engraved on the seal along with a torch. The implication of the motto is that to be educated is to let in the light thus dispelling the darkness of ignorance. 

ACADEMIC Attire & Colors

The origins of academic dress date back to the 12th and 13th centuries, when universities were taking form. The ordinary dress of the scholar, whether student or teacher, was that of a cleric. Formal academic attire is an important part of the pageantry of modern day commencement ceremonies.

A college commencement is a colorful celebration of student excellence and achievement. In academic processions each color is a symbol.

Gowns

The associate gown is black, as is the gown for certificate candidates. This gown, like the bachelor's gown, has pointed sleeves and is worn closed.

Other gowns are black with few exceptions. The master's degree gown has an oblong sleeve, open at the wrist, and may be worn open or closed. The gown for a doctoral degree has bell-shaped sleeves, is worn open or closed, and is embellished with velvet crossbars on the sleeves. Doctoral gowns may be colored to represent a particular institution.

Cowls

Academic cowls identify the degree attained. The color of the cowl a student wears reflects the degree or certificate the graduate is receiving:

- **Associate in Arts Degree:** Black, Gold, and White;
- **Associate in Applied Science Degree:** Black, Red, and White;
- **Associate in Science Degree:** Black, Blue, and White;
- **Certificate:** Black, Green, and Gold.

Bachelor's, master's and doctoral hoods feature velvet edging in the color of the discipline and a lining in the color of the institution.

Caps and Tassels

UCNJ graduates wear a black mortarboard and the tassel indicates academic achievement.

Students wearing red tassels on their mortarboards have achieved an overall Grade Point Average of 3.75 or better. Students wearing white tassels on their mortarboards have a Grade Point Average of 3.25 or better. The tassel is worn on the right side until the formal conferral of the degree. At that time the tassel is moved to the left.

Honors

Degree candidates who have been awarded honors in scholarship are distinguished by colored stoles, satin panels draped over the shoulders. Stoles or cords are worn as an accessory to graduation robes and have special meaning:

- **Gold stoles and blue and gold cords** are worn by members of Phi Theta Kappa, the international honor society of two-year colleges;
- **Green stoles** are worn by members of Tau Alpha Pi, the national honor society for engineering technology;
- **Green stoles** are also worn by members of the Engineering and Architecture Honor Society;
- **Copen Blue stoles** are worn by members of Psi Beta, the two-year college psychology honor society;
- **Burgundy stoles** are worn by members of Mu Alpha Theta, the two-year college mathematics honor society;
- **White and Gold stoles** are worn by members of Union Honors, UCNJ's honors program;
- **Red and Black stoles** are worn by members of the NJ STARS program;
- **White and Red stoles** are worn by members of the Educational Opportunity Fund program;
- **Black and Red stoles** are also worn by student-athletes;
- **Silver cords** are worn by members of The National Society of Leadership and Success;
- **Blue and White cords** are worn by members of Chi Alpha Epsilon, the national academic honor society for the Educational Opportunity Fund.
- **White and Red stoles** are worn by Peer Leaders;
- **Royal Blue and Gold cords** are worn by members of Delta Alpha Pi, the international honors society that recognizes students with additional needs who demonstrate academic achievement, leadership, and advocacy.

Colors

For all academic purposes, including the trim of doctoral gowns, the edging hoods, and the tassels of caps, the colors associated with the different disciplines are as follows:

Agriculture	Maize
Arts, Letters, Humanities	White
Commerce, Accountancy, Business	Drab
Dentistry	Lilac
Economics	Copper
Education	Light Blue
Engineering	Orange
Fine Arts, including Architecture	Brown
Forestry	Russet
Journalism	Crimson
Law	Purple
Library Science	Lemon
Medicine	Green
Music	Pink
Nursing	Apricot
Oratory (Speech)	Silver Gray
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration, including	
Foreign Service	Peacock Blue
Public Health	Salmon Pink
Science	Golden Yellow
Social Work	Citron
Theology	Scarlet
Veterinary Science	Gray

COMMENCEMENT CEREMONY

ORDER OF EXERCISES

5:30 PM CEREMONY UCNJ COMMENCEMENT ~ PROCESSIONAL ~

Presiding	Dr. Margaret M. McMenam President, UCNJ Union College of Union County, NJ
Invocation	Pastor Kip Wright Agape House of Worship, Roselle
Presentation of Colors	JR ROTC Elizabeth High School
Salute to the Flag	Dr. Demond T. Hargrove Vice President, Student Development
National Anthem	Ms. Pamela Garzon UCNJ Graduate, Class of 2026
Welcome	Mr. Victor M. Richel Chair, UCNJ Board of Trustees
Introduction of Dignitaries	Dr. McMenam
Student Speaker	Mr. Xavier Hernandez UCNJ Graduate, Class of 2026
Presentation of Awards	Dr. McMenam
Presentation of the Post-Day Memorial Award	Associate Professor Sherry Heidary Chemistry, STEM
Presentation of the Alumni Prize Award	Mrs. Mary Zimmermann UCNJ Board of Governors, Class of 2001
Charge to the Graduates	Dr. McMenam
Presentation of Candidates for Degrees	Dr. Maris Lown Executive Vice President and Provost
Conferral of Associate in Science Degrees	Dr. McMenam Assisted by Mr. Richel and Dr. Lown
Conferral of Associate in Arts Degrees	Dr. McMenam Assisted by Mr. Richel and Dr. Lown
Conferral of Applied Science Degrees	Dr. McMenam Assisted by Mr. Richel and Dr. Lown
Conferral of Certificates	Dr. McMenam Assisted by Mr. Richel and Dr. Lown
Turning of the Tassels & Closing Remarks	Dr. McMenam
Benediction	Pastor Wright

~ RECESSIONAL ~

Please Join Dr. McMenam for Complimentary Pictures with the President Immediately Following the Ceremony

ASSOCIATE IN SCIENCE

DEGREE CANDIDATES

The Associate in Science degree is awarded for programs in the areas of mathematics, natural sciences, health sciences, engineering, or technology. It enables students to transfer to a four-year college or university to complete a Bachelor of Science degree.
