

Start Planning Your Legacy Now

Your Goal	Giving Strategy
Buy low, give high – make a gift that costs you less than the benefit to the Foundation: avoid capital gains.	Make a gift of appreciated securities.
Make a gift for the future that doesn't affect current cash flow.	Include a charitable bequest to the Foundation in your will or trust.
Reduce tax liability now and receive an income stream for the rest of your life.	Establish a charitable gift annuity.
Reduce gift and estate taxes and control timing of passing assets to your descendants.	Create a charitable lead trust that supports the Foundation for a fixed period leaving the principal for your heirs.
Maximize the value of assets in your estate.	Name the Foundation as a beneficiary of your retirement account while directing less tax-burdened assets to your loved ones.
Use an often overlooked asset to make an important contribution.	Name the Foundation as a beneficiary of a Commercial Annuity or Life Insurance policy that has outlived its purpose.

Support the Path to Success...

Thank you for helping me secure a foundation for my future. I am grateful to be on my path to a bright future and given an opportunity to live out my dream. Fear is what keeps us back, but hope is what keeps us going and I am so happy that donors feel the same way. It has to be a great feeling to be in a position to help someone get to a place they never thought they would be.
