

## **Associate in Applied Science, Certificate, and Certificate of Achievement**

The Associate in Applied Science degree, Certificates, and Certificates of Achievement are designed for students who are interested in entering the work force upon graduation. Students who would like to transfer should meet with an academic advisor to discuss their program of study further and to ensure that all necessary requirements are met.

The [Associate in Applied Science degree \(A.A.S.\)](#) is awarded to students who are interested in entering the work force upon graduation. These career oriented courses of study provide hands-on experience.

- Accounting
- Automotive Technology
- Business Management
- Business Marketing
- Electronics/Electromechanical Engineering Technology
- Fire Science Technology
- Game Design Development
- Hotel, Restaurant, and Tourism Management
