

Advanced and Continuous Studies, Associate in Applied Science Career Information

Students in this second-degree program will pursue advanced credits in their chosen discipline to later be transferred towards a baccalaureate degree at a partner college or university. Internship, career, and salary information will differ depending on the major that the student has pursued at the associate level and will continue to pursue at the baccalaureate level.

Refer to the Occupational Outlook Handbook for specific information on your desired career at:
www.bls.gov/ooh/

INTERNSHIP OPTIONS:

- Search for internships in your chosen field here: www.internships.com/ or www.wayup.com
- Check out our social media pages for the most recent job & internship postings: @UnionCSC (Facebook, Instagram, and Twitter)
