

2015 Equity in Athletics Disclosure Act Report Union County College

Any coeducational institution of higher education that participates in Title IV, the federal student aid program, and has an intercollegiate athletics program, must comply with the Equity in Athletics Disclosure Act ("EADA") by disclosing information about varsity sports teams and the financial resources and personnel that the institution dedicates to those teams.

EADA compliance is comprised of two elements. First, an EADA report must be made available to students, prospective students, and the public by October 15th of each year. In addition, an EADA survey must be submitted to the Secretary of Education for inclusion on the Office of Postsecondary Education ("OPE") public website within fifteen (15) days of the EADA report's availability.

As a result, this is the 2015 EADA Report for Union County College. You are also encouraged to visit the OPE public website after October 30th to review the 2015 EADA survey results. The OPE public website can be found at <http://ope.ed.gov/athletics/>.
