You are required to submit a thank you letter to your scholarship donor letting them know how important their donation is to your success in College. Please follow the format shown below when writing your thank you letter.

Dear Foundation Scholarship Donor (please specify name of scholarship here):

Introduce yourself and include some information you want to share about your academic history and/or plans. You may also include here details about specific activities you are involved in at the College.

Share how this scholarship helps you achieve your education goals. Include information about graduation, transfer to a four-year school, working in a field you love, or any other way in which this scholarship made a positive difference for you.

Sincerely,

Your name here

Email your letter as a Word attachment to the Union County College Office of Financial Aid at financialaid@ucc.edu.
