PERSONAL HEALTH INSURANCE REQUIREMENT

All Electrocardiography Technician (EKG) Program and Phlebotomy Technician Program students are required to carry personal health insurance. Union County College does not provide coverage, nor will the College reimburse the student for the cost of medical treatment or care in the event he/or she is injured or made sick during the educational program.

It is the student's understanding that if they refuse to carry personal health insurance, that Union County College is in no way responsible for any and all illnesses or injuries sustained by the student during classroom participation.

I, _____, have provided Union County College with a copy of my personal health insurance card. Copy attached.

I, _____, have declined to carry personal insurance and release Union County College of any responsibility.
