### ASAP'S PROFESSIONAL ADMINISTRATIVE CERTIFICATION OF EXCELLENCE (PACE) (30 hrs)

Administrative Professionals in today's world have stepped into the responsibilities previously associated with middle management. They are executive assistants, office managers, paralegals, program analysts, benefits administrators, meeting and event planners and supervisors. Being an Administrative Professional is more than your job, it's your profession.

That's why getting PACE certified is an important step forward in your career.

PACE is an accreditation that tests the breadth of your professional knowledge and qualifies you to proudly place the PACE designation after your signature.

The four modules are presented in an adult-friendly format and all course materials and assessment exams are included in the tuition cost. With the guidance of our expert instructors and the comprehensive course materials, you will explore topics that are critical to getting ahead and staying ahead in today's fast-moving, global environment.

#### Course Materials

- A digital copy of the comprehensive Pace Study Guide
- On-demand training videos for each Proficiency Module
- Sample PACE exam questions
- The online exam is comprised of 120 multiple-choice questions and takes 60–90 minutes to complete
- Students will have up to three opportunities to pass the final exam
- Online tools to help track CEUs so that you can recertify every two years

#### The PACE Curriculum is organized into four (4) proficiency modules:

##### Interpersonal Communication

- Working with others
- Persuasion and influence
- Written Communications
- Confidentiality and Ethics
- Self-promotion

##### Task and Project Management

- Module overview—task vs. project
- Task processing strategies
- Time management
- Event and meeting management
- Travel management
- Email management
- Workspace management

##### Computer and Internet Technology

## UNIFORM CONSTRUCTION CODE EDUCATION PROGRAM 2017–2018

The community colleges listed below are offering a regional schedule of classes for Uniform Construction Code training:

- Brookdale Community College
- Mercer County College
- Middlesex County College
- Union County College

These classes are for general contractors who are looking to advance their careers and become New Jersey State Inspectors for local municipalities. They are open to anyone with an interest in construction and mandatory for those desiring licensure in building, electrical, elevator, fire protection, plumbing; and administrative licensure in sub code official, construction official, and technical assistance. The courses focus on technical needs for contractors, estimators, architects, engineers, and government officials as they relate to the design, construction, and maintenance of building structures. Courses are approved for licensure by the New Jersey Department of Community Affairs (DCA) pursuant to NJAC 5:23-5.20 and must be taken in the proper sequence (RCS-ICS-HHS). Licensing application packets and related inquiries should be directed to the DCA Licensing Unit at 609-984-7834. It is recommended to review this packet before undertaking a course. Students who successfully complete a course and apply for licensing may be **refunded up to 75% of tuition** by submitting a license number or log number to the college they attend. (Information provided in class.)

**Textbooks: The Uniform Construction Code Act and Regulations (Blue Book) is a required text if you are taking the administrative courses of the Uniform Construction Code Courses. Additional textbooks may be required depending upon the specific course. Call the Publications Office at 609-984-0040 or order online at [www.state.nj.us/dca/divisions/codes/forms/pubs\\_subs\\_orderform.pdf](http://www.state.nj.us/dca/divisions/codes/forms/pubs_subs_orderform.pdf)**

## NPTNJ ALTERNATE ROUTE TEACHER PREPARATION

### *New!*

### Introduction to Teaching: 50-Hour Pre-Service Component for the New Pathways to Teaching in New Jersey, Alternate Route Program

The New Jersey New Pathways to Teaching program is an alternate route to teacher certification program. The program allows students with four year college degrees who meet the program criteria to become a certified New Jersey teacher even though they did not complete a traditional undergraduate teacher preparation program.

Effective September 1, 2017, the New Jersey Department of Education has significantly changed the educational requirements for teacher education programs.

Under the new program, all New Pathways students must take a 50-hour Introduction to Teaching class prior to obtaining a teaching position. This class includes 30 hours of instruction in classroom management, assessment tools, lesson plans, learning strategies, technology and diversity in the classroom, as well as job search strategies for teachers. The student must observe a classroom for an additional 8 hours. Twelve hours of clinical experience in which the student teaches or tutors, or is involved in other hands-on instruction work, is also required.

## MEDICAL BILLING AND CODING PROFESSIONAL

### MEDICAL BILLING AND CODING PROFESSIONAL (230 HRS)

Medical Billing and Coding Specialists organize and manage health information data by ensuring its quality, accuracy, accessibility and security in both paper and electronic systems. They utilize coding languages to categorize various diseases and treatments and may also review billing and insurance claim files and recommend them for approval or further investigation, subsequently providing information to ensure accurate insurance reimbursement. This program teaches the required coding languages to become a Medical Billing and Coding Specialist. Students will learn both diagnostic (ICD-10) and procedural coding (CPT-4), in addition to anatomy and physiology, procedural terminology, and medical billing.

This program requires you to have a high school diploma or the equivalent prior to enrolling. **Also highly recommended are basic secretarial skills, minimum typing of 35 wpm and basic computer knowledge and basic math skills.**

Students are advised to contact the American Health Information Management Association (AHIMA) and/or the American Association of Professional Coders (AAPC) with regard to certification information after completion of this program.

#### Prerequisite:

- AEHL 135—Anatomy and Medical Terminology for Billers and Coders (50 hrs)

#### Required Courses:

- AEHL 136—ICD-10-CM and ICD-10-PCS Coding (60 hrs)
- AEHL 137—Understanding Medical Insurance/HIPAA (50 hrs)
- AEHL 138—CPT-4 Coding (40 hrs)
- AEEO A61—Computerized Medical Billing (MediSoft v.18 Software) (30 hrs)

**NOTE:** Not all courses are offered every term.

### Computerized Medical Billing (Med iSOFT Software) (30 hrs)

This class will introduce the student to a computerized healthcare environment using Med iSOFT Software. The course will cover basic skills in applications, HIPAA (Health Insurance, Portability and Accountability Act), electronic health record processes, security, and issues. Students will gain on-hands experience of the medical billing cycle through the use of sample patient demographics and financial data. Training modules include: entering patient information, working with patient cases, entering charge transactions, claim management features, handling patient records and transactions, and setting up appointments/scheduling.

Prerequisite: Anatomy and Medical Terminology for Billers and Coders. Computer/keyboard experience required. Minimum typing speed 35 wpm.

**Textbook required for first day of class; available at Union County College bookstore.**

### CPT-4 Coding (40 hrs)

Procedural codes identify the various procedures and services performed for patients by healthcare providers. The use of the CPT codes allows healthcare providers to communicate effectively with insurance companies about the procedures and services provided to the patient. In this course, students will learn each section of the CPT manual, including Guidelines. Students will gain extensive practice using a series of clinical scenarios that stimulate real medical records.

Prerequisite: Anatomy and Medical Terminology for Billers and Coders

**Textbooks (2) required for first day of class; available at Union County College bookstore.**

### Classes for Personal Trainers!

If you're a personal trainer who wants to expand your client base, learn more about working with special populations and how to counsel your clients on nutrition. These classes are offered in partnership with World Instructor Training Schools (W.I.T.S.).

We also offer a Personal Trainer National Certification class.

For more information, see page 15.

### ICD-10-CM and ICD-10-PCS Coding (60 hrs)

ICD 10 medical coding will properly record medical conditions, diagnosis, treatment and recovery of patients. This course is taught through lecture and practical exercises.

Prerequisite: Anatomy and Medical Terminology for Billers and Coders; or previous completion of ICD 9 coding.

**Textbooks (3) required for first day of class; available at Union County College bookstore.**

#### CERTIFICATE PROGRAM

##### Real Estate (75 hrs)

Consider the real estate market as a means to change careers or seek additional income. If you are new to this field, you must meet the requirements for the state examination and you must work as a sales associate within one year of completing the course and passing the exam. Topics include property interests, mortgages, deeds, title closing, liens, real estate law and ethics, agency relationships and real estate calculations. This 75-hour course meets the Real Estate Commission requirements for the N.J. sales/licensing examination. Once you pass the state exam you must maintain an active license at a real estate office within a one-year period or you will have to repeat the course and test (there are no exceptions). Textbook included in course fee.

 Mon, Wed 2/05-5/09 6:30-9:30 p.m.  
 (no class 2/19, 3/12 & 3/14)  
 Scotch Plains campus  
 (in the Police Academy, first floor Lecture Hall)

Note: Students must pass the final exam with a grade of 70% or better to receive a certificate of completion. Students will be permitted to re-take the final examination two times for a fee of \$50 each attempt and must register for the re-test. It may or may not be the same exam (make-up date will be announced). Failure to pass the exam after the second time will require the student to retake the course.

# Transportation, Logistics and Distribution

## COMMERCIAL DRIVER TRAINING

### Smith & Solomon

#### Commercial Driver Training

To obtain a commercial drivers license, you are required to pass a written permit test and a driver road test. This class will include one week of classroom instruction and three weeks of yard and road training in preparation for these tests. Instruction covers general knowledge, air brakes, combination vehicles, hazardous materials, tankers and doubles and triples. A passenger endorsement is offered for those wishing to drive a bus. Prerequisites include passing a D.O.T. physical and drug screen, and fingerprinting for bus candidates. All students must be over 18 years of age.

Courses include:

- CDL A-Tractor Trailer Driving
- CDL B-Straight Truck Training
- CDL B with Passenger Endorsement–Bus Training
- CDL A Plus Passenger Endorsement–Tractor Trailer and Bus Training

For course descriptions and prices please see pages 5.

## LOGISTICS

### Introduction to Logistics (48 hrs)

In this 48-hour Introduction to Logistics Program students learn math specific to the industry (including the metric system), practice their map reading skills and test their knowledge of world geography. Communications skills, customer service, team building and logistics vocabulary are all part of this curriculum. In addition, industry specific documentation such as airway bills, export forms and commercial invoices are introduced as well as MRP and TMS software.

The course will include:

- Geography
- Basic Measurement
- Interpersonal Skill Development
- Industry Specific Skills
- Logistics
- Process Flow
- Import/Export
- Inventory Principles
- Forms: Airway Bills, Invoices, Letters of Credit
- Customs, Borders and Protection Agency Regulations

## SUPPLY CHAIN MANAGEMENT

### Supply Chain Management Training

Union County College offers a Supply Chain Management Training program which was developed by a national consortium of colleges and universities. Classes are offered during daytime and evening hours and include the SCPro™ exam.

This program, upon completion and success on the exam, leads to certification by the Council of Supply Chain Management Professionals (CSCMP) in any or all of eight (8) subjects which include: Supply Chain Management Principles; Customer Service Operations; Warehouse Operations; Transportation Operations; Demand Planning; Inventory Management; Procurement; and Manufacturing and Service Operations. Each is a 40 hour course of classroom training led by instructors with experience in supply chain management within industry.

This training prepares the student for entry level or mid-level positions in a variety of functional business areas. The courses offer front line and management employees an additional certification for career enhancement and for increased responsibilities and advancement. On-campus classes run on an on-demand basis once our minimum number of registrants is met.

Classes can also be brought to companies for groups of employees onsite with flexible scheduling to meet the needs of the workplace. Ideally situated near the ports of Elizabeth and Newark, Union County College recognized the need for skilled workers to fill jobs. More than one (1) in every ten (10) jobs in New Jersey is in this Transportation, Logistics and Distribution sector (TLD).

**For additional information on how to enroll or bring this program to your business, please contact Nancy Burke at the Industry-Business Institute at Union County College at [burke@ucc.edu](mailto:burke@ucc.edu) or 908-527-7207.**

## Serving the Transportation, Logistics and Distribution Industry with programs leading to Industry-Recognized credentials.

**Union County College is a training partner with the TLD Talent Development Center (TDC) in New Jersey which was established through a grant from the NJDOLWD.** This growing industry sector requires a highly productive workforce. New Jersey residents require training and industry-valued credentials as steps leading to economic opportunity and successful careers. The TDC creates opportunities for both.

### **Employer-driven partnerships are the key ingredient to the success of this endeavor. How does this work? Two ways.**

- ◆ Resources are dedicated to partner employers for training of employees at entry-level or mid-career.
- ◆ Resources are dedicated to the training of displaced and unemployed workers seeking to enter this industry to start or to continue careers.
- ◆ Training in Supply Chain Management, Project Management, CDL-A license, OSHA and other knowledge and skills specific to the Transportation, Logistics and Distribution sector is available.
- ◆ Our programs lead to industry-recognized credentials, including the Council of Supply Chain Management Professionals SCPro certification.
- ◆ Individuals and businesses are encouraged to contact the TDC for information about current training offerings

---

*Uniquely located in the hub of the TLD sector, near the ports and airport, Union County College has worked closely with business leaders and experts to develop curriculum as part of a nationwide consortium of colleges and universities. The college has been offering training in Supply Chain Management through a LINCS grant from the U.S. Department of Labor since 2014 and continues to serve employers in the state. Union County College has formed partnerships with industry-recognized training providers in this sector to deliver high quality training for our clients.*
