Accessing Your Office 365 Email Account

- Your Union County College student email account is your username with @owl.ucc.edu added to it. For example, if your username is john.doe your email address is john.doe@owl.ucc.edu.

- Your password is the password you use to access your Self Service account, email, on campus wireless and lab computers. **Note:** You must have first accessed Self-Service to change your initial password before you can access your email account. If you need to reset your password, more information can be found [here](#).

- After setting your password you must also setup your [Okta](#) account. If you have not completed your Okta account setup, instructions can be found [here](#).

- Once you have set your password and configured your Okta account, you are ready to access your email account.

1. Navigate to [my.ucc.edu](http://my.ucc.edu) and login with your college username and password.

2. After signing in, verify your account with your Multifactor Authentication (MFA) method.
3. This will bring you to your Okta My Apps dashboard. Here you will find links to all the resources you have access to. For email, select Office 365 Student Mail.

4. That shortcut will bring you to your Office 365 Student Mail inbox where you can read and send emails from your Union County College student email account.
