Renowned for its reliability, efficiency and high level of technical expertise, HKI promotes the development of sustainable, large-scale programs that deliver effective preventative and curative services for nutrition, eye health and neglected tropical diseases. ChildSight® Program Overview Recognizing a lack of accessible, adequate vision care among low-income children in the United States, HKI established ChildSight® in 1994. The program identifies and treats refractive errors (i.e., nearsightedness, farsightedness and astigmatism) by providing in-school vision screenings, prescription eyeglasses, and ophthalmologic referrals to local partners for follow-up care as needed. In so doing, the program "brings education into focus"™ for children who would otherwise be left with poor vision – and unfulfilled potential. To date, ChildSight® has screened more than 1.9 million students in the U.S. and has provided free eyeglasses to over 290,331 children living in some of our country's poorest neighborhoods. We are currently seeking a Project Assistant to join the program team in New Jersey. **Responsibilities:** Travel to schools/programs in target communities throughout the Greater New York City Community to administer screening assessments to students in accordance with ChildSight® guidelines.
