EXOTHERMIC MOLDING - Production Scheduler. Job Description: Exothermic Molding, one of the pioneers in Reaction Injection Molding (RIM), was founded in 1972 to provide parts to the medical, electronic, and lab instrument market. Since then the company has expanded into many other applications and markets, but remains committed to the RIM Molding process. Exothermic is also expanding capacity within the facility to increase efficiency and handle growth. In addition, the company is introducing a revolutionary new product expected to significantly increase revenues and profitability. The Opportunity: The Production Scheduler manages the Enterprise Resource Planning (ERP) system, reporting to the Manager of Administration and working closely with the Production Manager. This is an outstanding position for someone who enjoys working with systems and analyzing information to solve problems. We offer a competitive salary and a great benefit package, including medical and a 401k retirement savings plan. **Responsibilities:** Maintain, update, and manage the ERP system to provide timely and accurate information for production scheduling, customer service, and performance reporting. Coordinate production scheduling efforts with production team to streamline processes and information across the entire organization. Provide excellent customer service communicating with clients about the status of their orders and helping to resolve any issues that they may have. **Duties:** Enter purchase orders, order materials, schedule production, and track shipments to ensure on-time delivery. Participate in production meetings to gather the information necessary to prepare production schedules. Communicate with customers and proper departments of any delays or problems, and ensure timely responses and/or corrective actions based on the situation. Analyze actual cost of orders compared with estimates developed during the quoting process to inform future pricing efforts. Develop and create reports to provide key information to management on a timely basis. Provide support for other administrative activities such as marketing, human resources, and accounting as needed. **Qualifications and Skills:** Experience or coursework with ERP or production planning software required, familiarity with E2 a plus. NUTS - Seeking a Bookkeeper. About the Company: Hi, we're Nuts.com! We're changing the landscape of snacking on nuts, dried fruit, chocolate and more! We planted our roots in Newark, New Jersey during the Great Depression, selling premium nuts on Mulberry Street's open-air market. We've come quite a long way since then, taking our multigenerational family business online in 1999. Even after 90 years, we continue to pride ourselves in expertly sourcing the highest quality foods and treating our customers like family. What's our team like? We're driven, collaborative, and entrepreneurial. Energy and passion power our business and we look for candidates who share in that excitement to help us continue to build something special. **The role:** The Bookkeeper maintains records of financial transactions by establishing accounts, posting transactions, and ensuring legal requirements compliance. **What you'll do:** Accounts Payable: review bills, validate/verify/coordinate with team for any discrepancies, post bills to system using accurate GL accounts. Accounts Receivable: invoice customers, make deposits, make payment applications against customers' A/R and resolve any payment discrepancies with customers and sales team. Post transactions daily and reconcile the bank & other general ledger accounts between the general ledger and subledger on monthly basis for closing. Maintain account analysis worksheets for general ledger accounts. Maintain intercompany transactions between Nuts.com & Kopper's. Maintain pay@nuts.com for AR/AP inquiries and respond in a timely/professional manner. Payment processing through online banking and check printing. Post corporate credit card entries. General ledger and subsidiary ledger accounts, including posting, preparing, opening, adjusting, and closing journal entries. General ledger entries including payroll, SG&A expenses, balance sheet, etc. Post to the accounting system (QuickBooks & Sage MAS100). **What you'll bring:** Bachelor's degree in accounting or finance required. Experience with QuickBooks required. Experience with Sage MAS100 preferred. Knowledge of Financial statements (P&L and Balance Sheet) preferred. Strong Microsoft Office skills (Excel and Word). Ability to handle highly confidential information. An eye for detail and the ability to multitask in a dynamic, fast-paced environment. Ability to adhere to tight deadlines. **What we offer:** A challenging role in a rapidly evolving business. Competitive compensation, benefits, and 401K Match. Paid Maternity, Adoption and Paternity leave. Other evolving office perks like chair massages & team building events. A casual work environment (jeans and sneakers are A-O-K!). And all the Nuts.com snacks your heart desires + a 40% employee discount! **To apply go to:** <https://nuts.com/careers?position=4024363002>
