

Union County College
Application for Practical Nursing

Instructions:

Students who wish to be enrolled in the Practical Nursing Program must complete this application.

Completed Practical Nursing application packets are to be sent to:

Director, Practical Nursing Program
Union County College
232 E. 2nd Street
Plainfield, NJ 07060

Packets may also be sent in electronic format to: Kathleen.wittrock@ucc.edu

Applications for Spring semester enrollment are accepted from **August 1st** until **October 15th**.
For Fall semester course enrollment, applications are accepted from **March 1st** until **May 15th**.

Applications **will not be** accepted after these dates. The applications **will not be saved** therefore if a student applies for Spring semester and does not get accepted, the student must re-submit another application for Fall semester.

Effective Fall 2018, students accepted by Union County College into the Health Science major will need to complete and submit the following packet of information and pass the admission test for the Practical Nursing Program –ATI (TEAS) in order to be accepted into the Practical Nursing Program: PNU 190.

1. Submit the following packet of information:
 - a. Practical Nursing Application form
 - b. Unofficial copy of the current Union County College transcript that indicates all courses taken at the College and advanced standing from other institutions.
2. Schedule and pay for the TEAS Admission Assessment exam (cost is approximately \$55-\$66). Student may take the exam twice. The student may purchase a review book directly from ATI at www.atitesting.com . The directions for this process can be obtained by emailing Kathleen.wittrock@ucc.edu

Students who successfully meet the admission exam score, a minimum of a 2.5 GPA and pre-requisite course requirements for enrollment, will be notified of the course registration date. In order to enroll in PNU 190, students will need to be switched from the Health Science major to the Practical Nursing Program. Please see the Student Service Center Representative to register and change your program.

NOTE: Enrollment in the Practical Nursing program requires interactions with patients and personnel in a variety of health care agencies. In order to meet the safety guidelines for these agencies, students need to have the following:

- Clear criminal background check* (vendor information will be provided)
- Current CPR for BLS - Health Care Provider through **American Heart Association only** and not an online course.
- Complete health documentation, including titers and vaccinations for immunity (refer to the Practical Nursing *Student Handbook* for details). These documents will be submitted to the vendor contracted with Union County College. Information will be provided at time of registration. Flu vaccine is mandatory for clinical rotation for Fall and Spring enrollment.
- Malpractice insurance – minimum of \$1 million/\$3 million

The health, CPR, and malpractice requirements are completed during, not before, Practical Nursing enrollment.

*Criminal History Background Check

All students enrolled in the Practical Nursing program are required to have a clear criminal history background check to participate in clinical care experiences. Background checks are mandated by all clinical agencies and must be completed prior to enrolling into the Practical Nursing Program. Students will be informed of the vendor for the background checks.

Any student who has had any criminal background activity reported on the background check will **not** be able to enroll in Practical Nursing and will be dropped from the program. During program enrollment, it is the students' responsibility to notify the nursing program of any change in their criminal history status. Examples of criminal behavior (convictions, guilty pleas, or judicial findings of guilt) that may result in an inability to continue in the program include, but are not limited to: assault, battery, homicide, manslaughter, kidnapping, sexual assault, arson, domestic violence, theft, drug abuse and/or distribution, and fraud. Failure to disclose all previous convictions, other than minor traffic violations, will be grounds for dismissal from the program.

A criminal history background check clearance is required for licensure as a Practical Nurse in the State of New Jersey.

Challenge Examination: Students requesting review of nursing courses that were taken at another school will need to submit transcripts and information about the nursing courses, directly to the PN Program Director. Details of the process are found in the PN Student Handbook: <https://www.ucc.edu/academics/academic-divisions/division-of-allied-sciences/practical-nursing-program/>
