

UCNJ Union College of Union County, New Jersey
A.A.S. Degree in Respiratory Care

Dear Prospective Respiratory Care Student:

We are delighted that you have chosen UCNJ Union College of Union County, New Jersey (UCNJ) to begin your journey towards becoming a Respiratory Care Practitioner. The Respiratory Care program is a two-year program designed to prepare you for an entry-level career as a healthcare professional. Respiratory Care Practitioners are members of rapid response and trauma teams that respond to medical emergencies and coordinate care with other healthcare professionals in hospital, long term, and home care settings. Respiratory Care Practitioners initiate and manage mechanical ventilation, assist physicians with special procedures, and provide vital patient and caregiver education. The respiratory care laboratory and clinical affiliates and instructors will prepare you in developing the necessary skills needed to become a licensed, competent respiratory care practitioner.

The Respiratory Care program strives for excellence and is prepared to provide you with the education and clinical experiences that will assist you in pursuing specialty credentials or continuing your formal education.

We look forward to working with you to achieve your educational goals.

If you have any questions about the Respiratory Care program, please contact us at respiratorycare@ucc.edu

Application for Admission

Instructions

Admission to the A.A.S. degree program in Respiratory Care at UCNJ Union College of Union County, New Jersey requires additional criteria for selection. Students must first be admitted to the College prior to submitting an application for admission to the Respiratory Care program. For information about applying to UCNJ Union College of Union County, New Jersey please visit: [Admissions](#)

Applications due by April 30th for Fall consideration.

Students who wish to be enrolled in the Respiratory Care program must complete this application. For full consideration, you must submit an application with supporting documents, including unofficial transcripts to: respiratorycare@ucc.edu

Postal Mail:

Respiratory Care Program
Division of Allied Sciences
UCNJ Union College of Union County, New Jersey
232 E. 2nd Street
Plainfield, NJ 07060

Please submit official transcripts to:

UCNJ Union College of Union County, New Jersey
Admissions Office
1033 Springfield Avenue
Cranford, NJ 07016
Or admissions@ucc.edu

- Official high school transcript or GED scores (no college or prior course work was completed at UCNJ Union College of Union County, New Jersey)
- Official transcripts from other colleges/universities attended
- A World Education Services ® evaluation of foreign transcripts

Completed applications are reviewed on a rolling basis, and qualified applicants who completed the admission process and were accepted will be admitted until each class reaches capacity. Union County residents who meet the minimum admission criteria will be given priority.

UCNJ Union College of Union County, New Jersey
A.A.S. Degree in Respiratory Care

When there are more applicants than seats for each class, a waiting list is maintained by the Division of Allied Sciences.

Applicants seeking to transfer credits from previously completed respiratory care courses will be reviewed for advanced placement on a case-by-case basis and contingent upon the following:

- Credits must be from an accredited college or university and a CoARC accredited respiratory care program.
- Review of course content, description, and competencies to ensure equivalency.
- Demonstration of required core competencies prior to placement with program faculty approval

Applicants for advanced placement in respiratory care may contact the program director for more information. For information about applying to the College or transfer credits please visit [Transfer Students](#) or contact the Student Service Center at 908-412-3550.

UCNJ Union College of Union County, New Jersey

A.A.S. Degree in Respiratory Care

Email completed application Michael.miller@mercer.com

Medical Clearance

Medical clearance, completed Student Health Form, must be completed and submitted prior to the start of RSP 101 Fundamentals of Respiratory Care.

Criminal Background Checks

Clinical affiliates mandate criminal background checks for all students in patient care settings. Each student must undergo a criminal background check prior to admission to the program. These checks require a valid social security number. Federal and state laws preclude persons with certain criminal backgrounds from being in contact with children and patients. A felony conviction may affect a student's admission to the program and ability to attain state licensure.

Some clinical affiliates require annual background checks. These checks are conducted by an external vendor and payment is the student's responsibility. The results of the checks are forwarded to the College and, upon request, to clinical affiliates. The vendor will evaluate the information and make the final determination whether the student can engage in patient care. If a student is denied clinical placement by any clinical affiliate due to criminal history information, the student will be dropped from the program.
