## **A.A.S. Degree in Respiratory Care**

Dear Prospective Respiratory Care Student:

We are delighted that you have chosen Union College to begin your journey towards becoming a Respiratory Care Practitioner. Here at Union College, we have developed a two -year program to prepare you for an entry-level career as a healthcare professional. Respiratory Care Practitioners are members of rapid response and trauma teams that respond to medical emergencies and coordinate care with other healthcare professionals in hospital, long term and home care settings. Respiratory Care Practitioners initiate and manage mechanical ventilation, assist physicians with special procedures, and provide vital patient and caregiver education. Our respiratory care laboratory, clinical affiliates and instructors will assist you in developing the necessary skills needed to become a licensed, competent respiratory care practitioner.

The respiratory care field is rapidly evolving and here at Union College we strive for excellence and are prepared to provide you with the education and clinical experiences that will assist you in pursuing specialty credentials or continuing your formal education.

We look forward to working with you to achieve your educational goals.

In the meantime, if you have any questions or need further information about our program you may contact:

Respiratory Program Administration  
[RespiratoryCare@ucc.edu](mailto:RespiratoryCare@ucc.edu)

## **A.A.S. Degree in Respiratory Care**

### **Application for Admission**

#### **Instructions**

Admission to the A.A.S. degree program in Respiratory Care at Union College requires additional criteria for selection. Students must first be admitted to the College prior to submitting an application for admission to the Respiratory Care program. For information about applying to Union College please visit: [Admissions](#)

To apply to the College, go to: [Apply Now](#)

*All Applications due by April 30<sup>th</sup> for Fall consideration.*

Students who wish to be enrolled in the Respiratory Care Program must complete this application. For full consideration, you must submit an application with supporting documents, including unofficial transcripts, to:

#### **Email:**

[Respiratorycare@ucc.edu](mailto:Respiratorycare@ucc.edu)

#### **Postal Mail:**

Ms. Monique Blackmon-Johnson  
Division of Allied Sciences, Plainfield Campus  
Union College  
232 E. 2<sup>nd</sup> Street  
Plainfield, NJ 07060

#### **Please submit official transcripts to:**

Union College Admissions Office  
1033 Springfield Avenue  
Cranford, NJ 07016  
Or [admissions@ucc.edu](mailto:admissions@ucc.edu)

- Official high school transcript or GED scores (no college or prior course work was completed at Union College)
- Official transcripts from other colleges/universities attended
- A World Education Services ® evaluation of foreign transcripts

Completed applications are reviewed on a rolling basis, and qualified applicants who completed the admission process and were accepted will be admitted until each class reaches capacity. Union County residents who meet the minimum admission criteria will be given priority.

# Union College

## **A.A.S. Degree in Respiratory Care**

When there are more applicants than seats for each class, a waiting list is maintained by the Division of Allied Sciences.

Applicants seeking to transfer credits from previously completed respiratory care courses will be reviewed for advanced placement on a case by case basis and contingent upon the following:

- Credits must be from an accredited college or university and a CoARC accredited respiratory care program;
- Review of course content, description and competencies to ensure equivalency;
- Demonstration of required core competencies prior to placement with program faculty approval

Applicants for advanced placement in respiratory care may contact the program director for more information. For information about applying to the College or transferring credits please go to:

[Transfer Students](#) or contact:

Student Service Center  
Plainfield Campus  
908-412-3550

## A.A.S. Degree in Respiratory Care

### Admission Requirements

1. Completion of a Respiratory Care Program application.
2. Two (2) letters of recommendation (teacher, counselor, or professional).
3. Successful completion of the following high school or college level coursework in: Chemistry, Math, English and Biology.
4. If you have college credits, you must have earned a grade point average (GPA) of 2.5 or higher at Union College or other accredited college or university within the past five (5) years.
5. Students must complete prerequisites and achieve a cumulative GPA of 2.5:
  - MAT 113 Math Applications
  - PSY 101 General Psychology
  - \*BIO 105 Anatomy and Physiology I
  - \*Students must have achieved a final grade of C+ or higher in BIO 105 Anatomy and Physiology I
  - AHA CPR certification for the Healthcare Provider (BLS)
6. Completion of Criminal Background Check, Student Health Form and Proof of Proliability Insurance are only required AFTER acceptance into the program and prior to the Respiratory Care Program orientation.
  - A clear Criminal Background check by our vendor Adam Safeguard. Please complete the following [Criminal Background Release Form](#).
  - Proof of Professional liability insurance, "Proliability," (Please read 'Proliability' below for more information).
  - Must have a [Student Health Form](#) completed by a Licensed Physician, Physician Assistant or Nurse Practitioner.
  - Immunization Records: The State of New Jersey requires all full-time students born after December 31, 1956 to be immunized against measles, mumps, Rubella and Hepatitis B, or prove that they meet one of the exemption requirements.
  - Additionally, as per college policy and clinical affiliate requirements, all students must have received at least one of their COVID-19 vaccinations prior to the start of the fall semester.

\*Students *will not* be assigned a clinical rotation/assignment unless the above requirements listed are met.

For more information, please contact:

Michael Miller

866-956-2774 ext. 84173

8 AM to 4:30 PM CST Monday thru Friday

Or please visit:

Professional Liability Insurance: [AARC Proliability](#)

Email completed application [Michael.miller@mercer.com](mailto:Michael.miller@mercer.com)

### **Medical Clearance**

Medical clearance, completed Student Health Form, must be completed and submitted prior to the start of RSP 101 Fundamentals of Respiratory Care.

### **Criminal Background Checks**

Clinical affiliates mandate criminal background checks for all students in patient care settings. Each student must undergo a criminal background check prior to admission to the program. These checks require a valid social security number. Federal and state laws preclude persons with certain criminal backgrounds from being in contact with children and patients. A felony conviction may affect a student's admission to the program and ability to attain state licensure.

Some clinical affiliates require annual background checks and students will be subject to another background check. These checks are conducted by an external vendor and payment is the student's responsibility. The results of the checks are forwarded to the College and upon request, to clinical affiliates. The vendor will evaluate the information and make the final determination whether the student can engage in patient care. If a student is denied clinical placement by any clinical affiliate due to criminal history information, that student will be dropped from the program.
