Math Accuplacer Placement Test

Work at your own pace and do not skip questions!

You might be exempt from taking the Placement Test if at least one of the following is true...

- you graduated from high school within the last 5 years with an un-weighted GPA of 3.0 or higher and successfully completed 4 years of English and 3 years of Math in high school.
- you took the SATs and scored at least a 530 Math and/or 540 Critical Reading.
- you are transferring in credits for a college-level English or Math course from another college.

If one of the above exemptions does not apply to you, then you must take the Placement Test.

If you receive a score of 76 or higher on the Algebra test or are exempt from the Placement Test, please ask about the Accuplacer College-Level Math Test
