

Dear Union County College Community,

I hope you all are having a healthy and productive week. After the storm on Monday, I have been enjoying the sunnier weather and watching the trees slowly bloom. We started remote instruction on March 16, so we are one month into our new routine.

I will continue to note new information in **RED** below.

To start with some lighthearted, fun news: Congratulations are in order! Owls, we are the NJCAA Region XIX Mascot Champions! Thank you to those of you who voted on Twitter. This was a great way to join together, even though we are apart, to show our school spirit.

The Census is done by household and you can complete the questionnaire online here: <https://my2020census.gov/>.
