

Dear Union County College Community,

At this time I'm announcing that ***all summer courses, for Summer I and Summer II, at Union County College will be online only.*** There will be no in-person meetings, events, programs, or activities at the College through at least August 16, 2020.

This is subject to change at the discretion of the College based upon State or Federal guidance.

For students who have registered for in-person class for ***Summer I (classes start Tuesday, May 26)*** or ***Summer II (classes start Tuesday, July 7)***, please be advised that all Summer I and all Summer II classes will be conducted online. We are in the process of converting our Summer schedule to an online format. The revised summer schedule will be posted by April 17. If there is an online equivalent to your in-person course, you will automatically be placed into the online equivalent. If there is no equivalent online course to your in-person course, you will be contacted by an advisor or you may connect with an advisor by emailing advising@ucc.edu.

If you require assistance with your schedule or courses for your major, please reach out to your advisor. By April 13, you will receive an email to your owl email account from advising@ucc.edu with your advisor's information.

We are here to help you. We will get you across the finish line. Please let us know how we can help you. Take care of yourselves and be well.

Sincerely,
Dr. Margaret M. McMEnamin
President
